

## PRESIDENT'S MESSAGE

VOLUME 15 OF 52

**F**ellow Rotarians,

It is my pleasure to welcome you to week 15 of this Rotary year, a year in that we have all agreed to

Unite, to connect the world.

The deadline for the submission of the application of our RYLA candidates closed 4th of October 2019. Responses to the redemption of Pledges has been very low, as at the time of this writing the followings are the Rotarians who have paid.

(1) PDG Raji 25,000 (2) PAG Adegbite 25,000 (3) Rotn. Kupolati Williams 25,000 (4) Rotn. Alozie Nsirimobi 25,000 (5) IPP Basirat Giwa 25,000 (6) PE Isola Ogunsola 25,000 (7) Rotn. Akinwale Odutola 25,000 (8) Rotn. Folusho Onagoruwa 25,000 (9) Rotn. Muyiwa Matuluko 25,000 (10) Rotn. Adeshina Koiku 50,000.

I ask others to please redeem their pledges so that we could forward the application of our candidates without further delays as the RYLA booth screening starts in few days.

The much talked about West African Project Fair, Liberia 2019 is some days away, all willing to attend should please contact Rotn. Jaiyesimi as ticket to fly will be necessary. Kindly note that, registration for the Fair itself which costs \$175 is very important, this can however be done on arrival in Liberia or paid here at the District. Our President Elect,

Service project chair and my humble self are all ready and prepared to participate and showcase our project at the fair and we look forward to achieving success by his grace.

Lastly from me, I will like to kindly request that we pay up all our outstanding annual dues so that the smooth running of the Club will not be hampered in any way as the year progresses.

Please let us also remember The Rotary Foundation, our contribution so far is still very low. I will want to ask that we all look outside the club in making sure we increase our contribution greatly.

Please let us also remember to attend the 80th Birthday of the mum of our Rotarian Bukky Odude which comes up on the 12th of October in Ijebu Ala. Dress code is our investiture Emerald Green. Fellow Rotarians, please let us attend in our good numbers to support and celebrate with our own.

Remember, we are on a "mission to retain"

Yours in Rotary Service

## Editor's MESSAGE

Editor

**F**ellow Rotarians,

We know that every organization has two sets of customers i.e. internal and external customers therefore, we the members of RC Gbagada are the first customers of RC

Gbagada before we reach out to the general public, on that note I say Happy Customer's Week to us all.

Have you taken the survey? If not, please ensure you do as it is designed to help the club improve its service.

It seems the celebration of the World's Teachers' Day over the weekend, has brought out the great teacher in our Doyen as it is A-B-C time at the Doyen's corner. Our communication column returns with Organizational power in this edition.

On the "mission to retain" please let us all endeavor to fulfill our outstanding obligations in terms of dues, TRF/EREY contributions and pledges.

Do have a happy and beautiful week.

**Rotarian. Olanrewaju O'nezer**

## MY ROTARY STORY

ROTN. DOTUN BAMIGBOLA

**R**otary being an international organization has always occupied a place of respect for me, especially with all the community development projects by various Rotary Clubs.

The 4-Tests of Rotary is therefore a creed I have known for decades back then in my school days and lived by, though I was not in the Rotaract Club and I just joined the award-winning Rotary Club of Gbagada less than a year ago.

My joining the Rotary was long coming, with the influence of colleagues and friends like the Late PAG Akin Olawore FNIVS, FRICS and PP Tosin Kadiri of RC Ikeja to mention a few. I therefore was introduced by a revered senior colleague and a senior Rotarian, PAG Sir Dipo Onabanjo to our Doyen, PDG Niji Raji mni, who introduced me to RC Gbagada, and he has been a wonderful mentor.

My experiences at RC Gbagada have been wonderful to say the least. From the weekly fellowships to the District Conference at Abeokuta in 2019 where the 'Mayor of the universe' received me warmly as roommate, the friendship has been very welcoming and inclusive.

The We Care programmes and fellowships have also been helpful for my integration into the Gbagada family. It has helped to prove that Rotary is a family club. I was a little surprised when the Sergeant-At-Arm, PDG Deinde Shoga, asked those of us with our spouses to make a statement' after those without their spouses on the night were 'fined' for not bringing their spouses, but it was all in the giving spirit of Rotary. We were all happy to do it.

That is Rotary about giving back to the community. From the Kickout Polio programme to the school building and furnishing projects which members contributed to. The contributory giving is what makes it easier for everyone to be part of a better world by contributing their quota.

In all, Rotary has been a wonderful experience of friends and family impacting the society positively. Being a Rotarian in RC Gbagada is a huge sweetener!

Yours truly,  
Rotarian Dotun Bamigbola
